LOCAL PAPER TO GET FIRST-HAND STORIES FROM DENMARK

Henri Leleu, a newspaperman who formerly lived near Lemon Grove, is now living in Copenhagen. He will do a series of articles of interest to readers of this newspaper.

By HENRI LELEU

COPENHAGEN—I dropped by the office of the United Press and met Mr. Syrup, a Dane, who is not only manager of UP but is chairman of the Foreign Press Club as well. He directed me to Sigvald Kristensen, director of the Ministry of Foreign Affairs, in Christensborg Palace.

Mr. Kristensen was my host at a huge luncheon for me and needless to say there were appropriate toasts in our honor, with Snaps chased with Danish beer and interspersed with Danish food, enough to feed us three times over. Denmark may not have color tv but it certainly has all that could be desired in the way of food and even in the fanciest restaurants the prices are reasonable by comparison with American prices.

I told the director of the success of a Danish baker (Bert Brolin) who opened his shop in Mayfair Market in Lemon Grove and how people came from miles around to purchase his pies, cakes and cookies because of the Danish artistry with which he made his wares.

I pointed out that newcomers to America could find success quicker in America in small communities such as Lemon Grove than in metropolitan areas. He agreed that this sounded reasonable.

It may be of interest that the Homeland Publishing Company is the only newspaper organization with a bona fide correspondent in this northern European capital. The New York Herald Tribune, Chicago Tribune, Los Angeles Times and the like have only "stringers" (part time representatives) here. I don't know why they do not give Copenhagen full time coverage because not only is the capitol interesting but Sigvald Kristensen, press director, is an interesting and dedicated man. His sincerity could go far toward cementing even further the relations of this great country with ours.

My series will not have to do with the political side, nor even the economic picture. Instead I'll write stories about interesting people and places, how they live and what they think about everyday events, even as you and I.

U. S. Representative Utt Visits Grove

U. S. Representative James Utt was in Lemon Grove Tuesday and with him was William Shearer, one-time aspirant for the state legislature (77th District).

Representative (Republican, 28th District) Utt said that he was home for the Christmas holidays and stopped in Lemon Grove to get a progress report on the new post office which is yet to be built.

He said that he would return to Lemon Grove for the dedication of the new building and would bring with him a flag which he will have flown over the U. S. Capitol building in Washington.

"Bill" Shearer was non-committal concerning possibilities of running for state legislature next year. He, like Mr. Utt, is a Republican.

FR. McDONAGH HONORED IN INVESTITURE CEREMONIES

St. John of the Cross Catholic Church was the scene of a rare ritual recently when the title of Rt. Rev. Monsignor was formally bestowed upon John W. McDonagh, pastor of St. John of the Cross Catholic Church in Lemon Grove for the past seven years.

This honorary degree, conferred by His Holiness Pope Pius, for outstanding success in administration of parochial affairs, was given by Most Reverend Charles Francis Buddy, D. D. Bishop of San Diego Diocese, assisted by representatives of parishes in Los Angeles, San Diego, Imperial and San Bernardino counties which comprise, except Los Angeles, the San Diego Diocese.

The ceremony was most impressive, and parishioners filled the church to capacity.

St. John of the Cross Church was erected in 1940. Growth of members has been phenomenal since Most Reverend Monsignor McDonagh assumed charge of affairs of the parish.

Men's Club Gets History Lesson, Names New Officers

The Lemon Grove Men's Club suffered through the history of the waterworks flume and district for the umpteenth time Friday but enough time was salvaged to learn some facts of the five million dollar bond issue that is to be voted on in January by Lemon Grove and the rest of the district.

A panel, chaired by Irrigation District Rube Levy, answered several questions the unusually large audience asked. Many among the audience appeared to be satellites of the board and the audience was replete with members of the real estate fraternity. Each of the board members (Joe Levikow was absent on jury duty) made a strong plea for understanding and cooperation.

Panel members were in agreement that the bond issue would not cost property owners additionally when it passes. But pass it must, they agreed, because water is vital to the district and larger mains and larger and better storage facilities are needed to meet the demand.

An oddment of information was thrown in by Lemon Grove board representative Harry Griffen, who answered a question on wholesale water rates by saying

Water works bond issue for 5 million dollars will be delayed at least a month because of failure to establish precinct boundaries for the election.

Directors of the district blamed county supervisors.

Election is postponed until late February or early March but in any event 60 days after the supervisors establish the precincts.

that this rate is available because of a water "surplus."

Due to the time devoted to district "history" the meeting was concluded on that note and more than a half hour beyond established closing period.

In a short program prior to the history lesson, Max Goodwin was named president of the Men's Club for the coming year. Ken Barwick, local attorney, was named secretary-treasurer. Veeps, in order listed, are Kenneth Conrad, Ray Purtee and Norman Lighthart.

Les Freeman, city clerk of La Mesa, will continue a program interrupted by the closing hour two weeks ago. Dr. Gilbert Chasey's motion, extended to the coming meeting, and asking that the Men's Club vote to start incorporation proceedings for Lemon Grove, will have precedence over other matters.

SCHOOL DISTRICT SAVED

Frank Armstrong Stops Annexation to San Diego

County supervisors Tuesday turned down an attempt by the San Diego Unified School District to annex the site of the proposed 11 million dollar Scott shopping Center. It is presently in the Lemon Grove School District.

The area, which houses practically no children, would produce about $50,000 in school taxes or about ¼ of the present tax load.

Frank Armstrong, attorney and school board trustee led the fight against the secession. Lewis Smith, Grossmont High School superintendent also joined the resistance move.

Harms Named C of C President

Bruce Harms, assistant manager of the First National Bank of Lemon Grove, was named president of the Lemon Grove Chamber of Commerce Tuesday at the annual luncheon election meeting.

Bill Nienaber, operator of Bill's Self Service Stations, was named vice president. Both men will serve for 12 months.

The chamber also approved a contract to pave the parking area on Imperial between Broadway and Lester Avenue.

Local March of Dimes Campaign Leaders Named

The annual March of Dimes campaign will start January 3, according to Tom Farrow, who has been named general chairman for the Spring Valley-Lemon Grove area. Named as assistants are Mrs. W. A. C. (Maye) Dutelle for Spring Valley and Henry Goldy for Lemon Grove.

The kickoff dinner will be held tonight (Wednesday) at 7 p.m. in the Mission Valley Country Club. The public is invited to attend, at a nominal donation. An outstanding film, "Remember Me" will be shown. It is based on polio patients who are still in need of care. Following the film there will be special entertainment provided.

A meeting will be held just prior to the opening of the campaign, and all workers will be notified. Anyone interested in lending a hand may get in touch with Tom Farrow at HO 6-8151, or Mrs. Dutelle at HO 6-4470.

Publicity for Lemon Grove is Mrs. Charles (Ginger) McKenzie and for Spring Valley, H. A. (Tommy) Thomas.

ATTEMPT TO BREAK IN REPORTED

Part of the roof of the Ranch-erette Western Wear Store, 7473 Broadway, was torn away when an attempt was made to break in late last week.

Bernie Merrill, operator of the store, said that the attempt was probably made after three a.m. since that is the closing hour of a nearby cafe and their outside lights illuminate the area.

Damage was slight and access was not gained. The sheriff's department was notified.

Arthur Jones Enlarges His Own, Review Family

A new member has been added to the growing family of the Lemon Grove Review.

This member is a baby girl who weighed only three pounds and nine ounces at birth on December 6 at Balboa Hospital. They call her Sue Ann.

Father is a pressman-printer at the Review named Arthur Jones. He and his wife, Janet, have another girl, 16 months old, named Beverly Ann.

The couple resides at 3280 Main Street in Lemon Grove. Both father and mother are formerly Phoenix residents.

Ernest Newton to Be Installed as Master of Lodge

A Lemon Grove business man, Ernest M. Newton, operator of the Lemon Grove Stationery Company, will be installed Saturday as master of Silver Gate Lodge 296.

The lodge is located at 3795 Utah Street in North Park.

Banister Sells Block on Broadway, Expansion Expected

Sale of the real estate occupied by Mayfair Markets in Lemon Grove was announced this week by Jim Banister, owner and builder of the development, and I. M. Laddon, investor who purchased it.

Property involved is the 2½ acre tract on Broadway between Olive and Buena Vista and the building occupied by Mayfair Markets. Mayfair, spokesmen said, would continue to occupy the premises. Business observers claim it is one of the most active markets in area Mayfair chain. The sale was handled by Malin Burnham of the John Burnham Realty Co.

Banister said sale amounted to about $350,000.00. Laddon said more than that was involved. Laddon said that additional development of the property would be made and additional retail outlets are being planned for.

Banister had made a strong bid for the Lemon Grove post office to be built on the site but when it was scheduled for the other end of town (near present Salvation Army Building) he said he decided to release his holdings here. Banister, incidentally, is credited by many to have given impetus to the growth which carried Lemon Grove to its present enlarged business section.

Banister erected the building and in March, 1954 opened the doors of his Big Ace Market. He sold the market business to Mayfair in July of that year and has remained as such since.

Banister said that he would devote his time to building an 11 acre shopping center representing a two million dollar investment in Chula Vista. He is also building a $400,000 building for Food Basket on Point Loma, he said.

Laddon is a board member of the First National Bank of San Diego and president of the Langley Corp. He said that non-competitive outfits, complementary to Mayfair, would be sought for the expansion.

Lemon Grove, Laddon said, is destined to grow much larger and his investment was made because the pattern of growth of the community gave soundness to that theory.

There will be no change in Mayfair's operation, Larry Childress, local manager said.

New Policy on Advisory Groups Set by School Board

The Lemon Grove School Board unanimously adopted, a policy Monday evening of this week in regard to citizens advisory committees. The policy states that the board will establish citizens groups as needed from time to time to study specific problems arising in the district in regard to education. When recommendations of the group have been made to the board, the committee will be disbanded.

The present Citizens Advisory Committee was commended for work which it has accomplished. Due to the new board policy, this committee will no longer be sponsored by the school. However, since the group is independent with its own constitution and by laws, the board's new policy in no way changes its status other than to withdraw board sanction and sponsorship at the present time.

During recent months, attendance at the committee's monthly meetings has been poor, the community was not broadly represented, and the members were hampered at times by by laws tying activities too closely to the board. The "Boardsmanship Manual, a Guide for School Board Members," a publication of the California School Boards Association, recommends that the citizens' groups working on school problems be established by the board to deal with specific topics and be disbanded at the end of the study.

The board placed under contract Mrs. Emily Cornelius, district substitute teacher. She will do long and short term substitution during the remainder of the school year. The board accepted resignations from Mrs. Geneva Funk, Mrs. Betty Fountain, and Mrs. Agnes Steimar, elementary teachers, who will not return to classes after January 1. Mrs. Funk is leaving the state because her husband's business will take them to Oklahoma. Pregnancies were given as the reasons for the other resignations.

A special meeting of the board will be held at the Education Center Thursday evening, January 5, 7:30, with presidents of PTA units in this district. Civil defense plans for the schools is the subject for discussion. The next regular meeting of the Lemon Grove board will be Monday, January 9, 7:30 p.m., at the Education Center on Lincoln. The second meeting for December has been cancelled.

Phone Calls Listed When Subscriber is Absent—Answers When He Returns

Want to get a surprise from your phone?

And hear a recorded voice say "This is Howard Stiner speaking from a record. There will be a lapse of 30 seconds, when you may leave a message and your telephone number, and I will take care of your call when I return."

I had occasion to call Mr. Stiner Monday evening, after his number had been called in the afternoon by wife Pearl with the recorded answer as above, but Mr. Stiner answered in person. When I explained that I wanted to get the record's answer, he very kindly explained the operation and switched the record on. I then dialed his number and got the recorded answer, but I could not think quick enough to reply.

This arrangement is almost uncanny in its operation. Mr. Stiner explained that the apparatus is rented by the telephone company for $12.50 per month, plus an installation charge of $35, and a cylinder records the calls as they come in. When the boss returns the machine is set to play back and the calls may be made as requested.

Howard W. Stiner, 7570 Hughes St., Lemon Grove, is a building contractor, "Homes by Howard" and when he leaves his office for a day or a week or a short time he sets the machine and knows he will get the numbers of the callers when he returns. "You couldn't get a secretary for $12.50 a month," he says.

Chet Holcomb at his cabinet shop, 7268 Broadway also has a silent secretary hookup. Chet says he saves three or four hours a day with his device.

A church in La Mesa gives a recorded prayer by this recording device. Calls are flooding the machine.

Chuck Muller, Lemon Grove district telephone manager, said that the religious device was running at capacity and that it evidently indicated a renaissance of religious interest.

He said there are about ten such devices installed in the Lemon Grove area.

The Dimmer VIEW

By MAX GOODWIN

California, as everyone knows, is a fountainhead of beauty queens of all ages, of all sizes, and practically every shape, but the most beautiful live in Lemon Grove.

I for one, am pleasantly activated when I gaze upon feminine loveliness of our California girls . . . but recently, a sour taste has accompanied the otherwise pleasant perusal.

Maybe it is hardening vessels, a harbinger of dotage, that has focused my eyes on the local scene of beauty that caused me to see some things I don't like.

I do not like to see our 17 and 18 years-of-age young ladies tromping the streets of our community selling part of their dignity, their pride and self-respect to promote a merchandising endeavor in another community in order that they may have a chance to be called a "queen" or "princess."

Yet this process goes on year after year and nobody except me seems to object. At the beginning of each contest, neither charm, loveliness, beauty, ability, nor intelligence is the criteria by which the girl gets a chance. Rather, it is how much money can she collect for the general fund of the event in which she is competing.

The two major events hereabouts are the El Cajon Mother Goose and the North Park Toyland Parades, both of which are put together primarily for the benefit of commerce and industry of these two communities, the merchants of these areas being the actual sponsors. It is illogical that our tender young ladies should solicit our business people for support of an event which begs the patronage of the very customers of the business people who are solicited. It is little wonder that these girls experience crushed ego and hurt feelings when so many of our people refuse to help. Thus is drained away the dignity and pride and self-respect that should go with a contest of this sort.

It would be a horse of a different color if Lemon Grove was promoting its own parade, for there we would have a crystallization of interest. The businessman, the resident, the little girls, would all be talking about Lemon Grove . . . us . . . and a spirit of comeraderie would prevail, and the residents would give generously.

I have waited until the two aforementioned parades have been finished and lapsed into limbo before having my say. I waited because we had beautiful young ladies entered into each of these events . . . and if I do say so myself, our girls were prettier than the ones the judges proclaimed as "queens." Again let me point out that the title represents, to a great degree, the amount of money she has been able to make for the commercial event. I am quite aware that beauty, charm and poise enter into the judges' consideration at the final stages, but it was money which got them to the finals. I suppose there is no way of getting around the money angle . . . and I guess our little girls will enter every contest that pays tribute to their beauty. But it does seem that we could develop something in our own community that would give our own girls a chance to earn the titles they so desperately seek elsewhere.

I want to serve notice that this publication is going to take a dim view on energizing local sponsors to take part in "foreign" events until we have one of our own. Then it will be on the basis of reciprocity. We'll aid their project . . . they can aid ours.

Initial Dimes March Meeting Set For Tuesday

A cordial invitation is extended to all residents of the Lemon Grove-Spring Valley area who are interested in the fight against polio and the 1956 March of Dimes campaign, to attend a meeting Tuesday evening, December 20, 7:30 p.m., at the Lemon Grove Junior High School auditorium.

Thomas Farrow Sr., general chairman for the Lemon Grove-Spring Valley area, will discuss all plans and events for a most interesting program to start January 3 through January 31, 1956. A factual filmstrip, "Remember Me," will also be shown.

Farrow said the number one goal of the 1956 March of Dimes is to fill the staggering need for patient care, which sometimes runs into months and years. He also noted the many successful polio drives the Homeland area has so generously worked on in the past, and hopes to keep this record again this year and meet all volunteers on Tuesday evening.

Judge Hussey Fines Culprits, Settles Small Claims

Four o'clock Monday is the time set by Judge Luther Hussey, Homeland Justice Court head, for hearing traffic cases and small claims court matters. Last Monday a full calendar greeted the judge on his arrival, with 17 traffic cases and several small claims cases. Some of these latter had been continued from the previous week, and the claims had been settled by the litigants and were so noted.

Bail was forfeited in several traffic cases, warrants for arrest were ordered issued for two culprits who failed to appear.

A small claims case involving a bill for $104.15, including costs of $4.15—a small claims case is limited to $100—and this case involved $100 worth of gas, the additional $4.15 being costs which the defendant paid when judgement was awarded the Propane Gas firm, plaintiff. The defendant had ordered a gas tank installed more than a year ago and it had been filled with gas, but no payment made. The defendant changed to natural gas—S. D. Gas and Electric Co—when he built two more houses on his lots, and wanted the contract with Propane cancelled, so he stalled on paying the $100. The tank will be removed very soon, the propane man said. It cost him $43 to put the tank in, so he didn't make much on the deal.

A small claims case, Loveday vs Miller, was the result of an auto collision between two youths, when one crossed the double line to enter his driveway and the other, in attempting to go around, also crossed the double line. Since both parties were in the wrong, neither could recover for the resultant damages, and Judge Hussey so ruled. A map was drawn of the place where the accident occurred, and later Judge Hussey used the blackboard to clarify the occurrence. The mother of one of the youths was in the car with her son at the time. A claim for some $80 damages to one car's tank, plus $22 for repairs to the other car, was the basis for the suit.

A 16-year-old lad was cited for trying out his car, which he had been "tuning up" without lights or horn. This lad's father, who had signed for the boy's operating license, appeared with him. Judge Hussey gave the boy a serious talk, reminded him that he had agreed to abide by regulations only a short time ago yet he had jeopardized himself and other car drivers by his actions. His father could have been ruined financially had a serious accident occurred. Parents who guarantee their offspring's driving ability assume a considerable responsibility when they sign up for an operating license for the youth.

Another youth of 16, who had an operator's license since March, appeared, accompanied by his mother. He drives a 1940 Chevrolet, carries no insurance. He made a left turn, gave no signal and was hit by a following car, with $40 damage to the latter. It was the youth's first ticket, and the judge gave him a serious talk, imposed no fine.

The calendar was finished at 6 p.m. with some cases continued.—D. H.

RABIES WARNING GIVEN BY HEALTH DEPT.

The rabies problem has become so severe in California that the State Department of Public Health has asked that a rabies quarantine be established in 26 California counties.

According to the California Department of Public Health, there have been 315 cases of rabies in animals reported this year. Of these reported cases, 166 occurred in dogs and 138 in wild animals including two bats.

The appearance of rabies in so many wild animals brings concern as they may transmit the disease to domestic ones. This is particularly true of hunting dogs unless they are vaccinated. Danger, however, is not limited to hunting dogs. Many wild animals, such as skunks that are often infected with rabies, can be in heavily populated areas.

As a result of its effective rabies program, San Diego County has been free of rabies for five years and was not included among the counties requested by the state to establish a rabies quarantine.

In order to be on the safe side, the San Diego County Health Department points out that your dogs should be vaccinated by a private veterinarian or at one of the several vaccination clinics that are set up in the county from time to time.

She said she ran out of the house immediately following the noise and found the rear window of her car smashed in "a million pieces." She said she called the sheriff's department in San Diego and they told her they had received numerous like calls. Anydow?

New Hospital Auxiliary Area Chairmen

Mrs. N. T. Henkel will represent Spring Valley, and Mrs. W. K. Phillips represents Lemon Grove as area chairmen of the Grossmont Hospital Auxiliary for the coming year. —L. G. Camera Foto

Lemon Grove and Spring Valley figured prominently in the installation ceremonies conducted at last Friday's annual meeting of the Grossmont Hospital Women's Auxiliary. The area chairmen elected by these units—Mrs. W. K. "Pat" Phillips for Lemon Grove and Mrs. N. T. "Betty" Henkel for Spring Valley—were installed in office by the retiring president, Mrs. J. Forster Couts, along with the seven remaining area chairmen and five general officers.

The evening's program was well attended by members, hospital dignitaries, and other friends.

Presentation to Mrs. Couts of two auxiliary firsts: an honorary life membership and the past president's pin was made. Mrs. Jens Hutchens, in her first official act on taking office of president, made the presentation.

An informal reception followed the program, with Mmes. Elliott Johnson, H. M. Miller, and Ed Nystrom acting as hostesses. These members of Mrs. Duval Ellery's hospitality group, working under the direction of Mrs. Rupert Linley, served delightful refreshments, featuring the fruit cake being sold by the auxiliary. Mrs. S. P. Thacher, retiring garden chairman, was responsible for the appropriate decorations.

Area chairmen who took office in addition to the two named above are Mmes. L. E. Carlson, Alpine; Forace Boyd, Lakeside; R. T. Strong, El Cajon; Wendell Robley, Fletcher Hills; Philip Mountjoy, Grossmont; Glen Crosbie, La Mesa; J. R. Tindell, Jamul.

The five general officers installed were Mmes. Jens Hutchens, president; Duval Ellery, vice president; D. V. Stovall, treasurer; E. J. Drew, financial secretary; and A. L. Ballantyne, recording secretary.

Influenza vaccine is now available for all military dependents at the U. S. Naval Hospital, San Diego. This information was released by Eleventh Naval District Headquarters in an effort to reduce incidence to influenza during the winter months.

Persons will be innoculated on a voluntary basis and should report directly to the Innoculation Room, Dependents Clinic, Basement, Building No. 38 at the Naval Hospital between 8 a.m. and 10 a.m., Monday through Friday.

In order to avoid a reaction in children, the dosage will be divided over a period of time. Ages 1 through 5 years will receive three doses at one-week intervals; 6 years through 10 years will get two doses at one-week intervals, and those 11 years and over will receive only one dose.

LOCAL MEMBERS OF RACING GROUP GIVE TEEVEE TO TOTS

The Boosters Women's Auxiliary of the San Diego Racing Association gave a pre-Christmas gift of a 24 inch television set to the children of the San Diego Children's Hospital.

The set was given early so that the children would not miss the Christmas programs. It is now installed in the room that was completely furnished by the San Diego Racing Association last year.

In the photo above are: Mrs. Jack Alvord, 4270 Blackton Drive, president of the racing auxiliary; Barbara Dove, 30 months, Deborah Beatty, 22 months, and Mrs. Ervin Majors, chairman of the children's project for the auxiliary. —L. G. Camera Foto

Lemon 8'rs Have 'OO' as Visitors

The Lemon Eighters squared up December 8 with surprise visitors from the "Double Circle," Tommy and Marion Ashton. Refreshments of coffee and donuts ended a delightful evening.

Plans are now in the making for the Christmas party to be held on Thursday, December 22, from 7:30 to 10 p.m., in Friendship Hall. Gifts of 50c will be exchanged. Music will be by the H & H Tunetwisters, followed by refreshments and maybe even Santa Claus! Everyone is invited to attend.

More Juice Planned By Gasco

San Diego Gas and Electric Company will install another 100,000 kilowatt generating unit at the Encina plant at Carlsbad, it was announced this week.

Total cost of the generating unit will be about $13 million. Project is to handle the anticipated continuing growth of the area. Company plans about 2½ years in advance of actual need, spokesmen said.

Santa Anita to Open Christmas Monday

Santa Anita Park, conveniently located in Metropolitan Los Angeles on E. J. (Lucky) Baldwin's historic old rancho in Arcadia, has everything in readiness to open its 19th and biggest thoroughbred racing season on the Monday holiday, Dec. 26. A gathering of upwards of 50,000 is anticipated with the gates opening at 11 a.m. and the first race starting at 1 p.m.

The $20,000 Palos Verdes Handicap, for 3-year-olds and up at six furlongs, heads a banner eight race card as the opening attraction. After the Tuesday lay-off, the $15,000 La Centinela Stakes will be staged on Wednesday, Dec. 28.

Highlighted for the third consecutive season will be the only racing on grass in Western America. Santa Anita's Camino Real Turf Course is distinctive for the combination of high rolling land of the hillside, so popular in Europe for centuries, and the infield, the only mode in this country. It will be used for seven stakes and a number of overnight features.

Once again Santa Anita will have its brilliant mid-winter floral display; its scenic setting of the San Gabriel Mountains as a drop curtain; its annual Charity Week of racing, Jan. 31-Feb. 4; and the show of the world's greatest thoroughbreds with numerous foreign stars imparting an international lustre.

CHRISTMAS MEETING SET FOR NAVY MOTHERS

SAN DIEGO JUNIOR C OF C SPONSORS TWO CONTESTS

Home gardeners are reminded that less than a week remains in which to enter the San Diego Junior Chamber of Commerce's Poinsettia Sweepstakes.

To date, 24 individuals have entered the annual holiday flower contest, according to Skip Heiden, sweepstakes chairman, who said that the most entries were in the "most prolific" and "tallest" divisions. Only three entries have been made in the "largest bloom" division.

Entry deadline is noon of December 13. Individuals wishing to participate should send the following information to San Diego Junior Chamber of Commerce offices, 947 Columbia St., San Diego: Name, address, phone number and dimensions of plant or number of blooms.

Entries will be confirmed and eliminated by phone calls made the next day, Dec. 14, with finding judging taking place on Dec. 15 and 16, when Jaycees will personally measure and count blooms to determine winners.

Last year a poinsettia bloom measuring 21 inches across won a first prize, along with a plant 10½ feet tall, and a "most prolific" plant with 269 blooms.

Division winners will again receive a plaque and $25 savings bond as prizes.

Mrs. John W. Burgess, 7858 Leyland Court, Lemon Grove, has entered the "most prolific" division, and Mrs. C. M. Allen, 8384 Dexter Drive, La Mesa (Spring Valley) who entered the "tallest" division.

Home Decoration Contest, also sponsored by the Junior Chamber of Commerce, has accepted entries from M. L. Lamphear, 90 Central Ave., Lemon Grove. The contest is open to anyone residing within San Diego city limits and nearby communities conducting similar contests. To date 11 entries have been received. Interested individuals are asked to mail a card with their name and address to the San Diego Junior Chamber of Commerce, 947 Columbia St., San Diego. Deadline for entries is December 15.

San Diego's first place winner will be entered in a national home lighting contest in which $5,000 worth of prizes will be offered. In addition, the top four local winners will be awarded plaques.—D. H.

CHRISTMAS CAROLS TO BE SUNG AT ST. PHILIP'S

The children of St. Philip's Sunday School will celebrate the Christmas season by singing carols at the 9:30 service. Also they will participate in a birthday offering for the Foster twins at that service.

A. Harry Beran was installed as a lay-reader at the 9:30 service last Sunday.

The Woman's Auxiliary will have their Christmas Party at 3 p.m. December 15 when Myra Sonka's dancing class will entertain.

Christmas Bureau to Eliminate Duplication

Through Christmas Bureau, a branch of the Community Welfare Council, residents of the San Diego area have an opportunity to express the true spirit of "good will towards men."

Edgar N. Brown, council director, describes Christmas Bureau as the connecting link between organizations and individuals who want to help and those serving people who need help.

"Christmas Bureau," he said, "is set up to coordinate community Christmas giving projects and special holiday parties so that all in need will receive a fair share."

Here's how Christmas Bureau works:

A master list of hundreds of items and entertainment projects, all specially requested by Community Welfare Council member agencies, is now on file in the offices at 645 A Street. These requests run the gamut of human needs from costly playground equipment to craft supplies and tray favors suited to children's group giving.

"So when you arrange your community gift through Christmas Bureau," Brown points out, "you can be sure that 1, your gift fills a specific community need and 2, that it goes where the need is greatest."

Another and obvious facet of Christmas Bureau's service is the check-off system developed to reduce duplication giving to a minimum and to channel special holiday entertainment to all in need rather than concentrating on just a few. If you've already established your community gift project, help Christmas Bureau help everyone. Check your gift off the master list today. A phone call is all it takes. The number is BE 2-1055.

HELIX PROM MEMBERS NAMED

Helix High School juniors are busy planning the decorations, entertainment, bids and the after-prom activities for the Junior Prom to be held in June.

Bob Phillips, Junior Class president, announced the names of the juniors in charge of the prom.

They are as follows: Bob Jenney, chairman; Joyce Harris, secretary. Chairmen of the sub-committees were also named. They are Beth Nash, decorations; Nancy Madson, bids; Linda Fetterly, after-prom. The entertainment committee has not decided on a chairman as yet.

The actual date and location of the prom will be announced at a later date.

PARTY PLANNED BY JOB'S DAUGHTERS

On December 17 the Job's Daughters of Bethel 60 are planning to go to Shrine Camp in the Laguna mountains for an overnight and a Christmas party. They will have a gift exchange and a tree trimming party for which they will make their own ornaments.

REAL ESTATE MARKET BOOMS IN NOVEMBER

Real estate transfers in November increased 6% over the month previous and were up 35% as compared with the same month in 1954. Total sales for the year to date are also up 35% over the year earlier figures. While the increase of activity within the city of San Diego is greater than elsewhere in the county, the distribution of gain is remarkably uniform. Exceptions are in the beach areas which are setting a fast pace, in Linda Vista which is enjoying an unusual activity at the moment, and in Chula Vista where things are really humming. On the other hand, sales in the southern county portion of the rural area are off somewhat in volume.

We are indebted to the Real Estate Barometer, published monthly by Security Title Insurance Co., for these and all other figures given herewith.

Real estate loans, too, were at a high level in November, up nearly $3 million from October, $8 million from year earlier figures.

Building permits, too, are holding up surprisingly. In November, 1954, the biggest month of that year in number of residential permits issued within the city of San Diego, the volume was only 10% larger than last month. For the year to date, residential units authorized are up 38% in number and 25% in $-value. Residential permits outside the city in the unincorporated areas of the county are also up—though not quite as much.

Here again, construction and sale of new homes is proceeding at variance with a general opinion that "overbuilding" and a "saturated market" must slow the pace. As a matter of fact, there are few completed houses unsold; prices are firm in both old and new homes, and any change in vacancy ratio is on the side of decrease rather than increase.

Transfers in Lemon Grove area, which includes La Mesa and Spring Valley, in November 1955, 258, and in Chula Vista for the same period, 286. A grand total for the suburban areas was 3116.

A total of loans made by banks and other financial institutions was 1388, with $15,694,556 involved, plus miscellaneous loans, including trust deeds and mortgages taken by sellers, 1560 for $12,322,516, or a grand total of $28,017,072, being 41% more than 1954. (Here ends quotes from "Barometer."

Looks like lots and building sites in Lemon Grove are getting scarce.

If you want a place to build your "dream home," better see any real estate broker in Lemon Grove and talk over the matter. Maybe he can arrange a deal that will be satisfactory to both parties. We well remember 12 years ago, when Geo. Casteel laid out the S. E. corner of Imperial and Broadway, and had a sign "Piggly Wiggly will build here" on the staked out lot, how we predicted to ourself that Lemon Grove was the place to invest, but we didn't have the wherewithal, so we didn't buy. We still think Lemon Grove property offers the best opportunity to invest for profit.—D. H.

Job's Daughters Plan Party

Job's Daughters Bethel 60 is planning a weekend party at Shrine Camp in the Laguna Mountains, December 17. The girls will decorate a tree and exchange gifts as the highlight of the party.

Goodall bus of Spring Valley will transport the group, and lots of fun is expected, with high hopes for a big snow.

Women have two kinds of minutes—the regular and the wait-a-minute.

Composer to Be Heard at Skyline Methodist Church

"Song of Bethlehem," the unusual in Christmas pageantry, is to be presented by the Skyline Wesleyan, Methodist Church on Skyline Drive, Sunday at 7 p.m.

Joy Linn, a talented young composer and singer from San Diego, in collaboration with Dr. Kathleen Shuttleworth, has written and produced the "Song of Bethlehem," which is unusual and human in its approach. This pageant is a combination of dignity and tender moods in its portrayal of Christ's birth, in song and narration.

Miss Linn's scope of writing has extended to the secular as well as the sacred field, and in February one of her secular songs is to be released. She recently presented a program of her own compositions at the Barker Brothers Auditorium in Los Angeles and will be appearing on tv the first of the year. In addition to all these activities in the music world, Joy attends a Los Angeles college, and is, in fact, finishing her second year.

The forthcoming presentation will feature the Wesleyan Choir with Rev. Orville Butcher as director and soloist. "The Bethlehem Lullaby" will be sung by Miss Linn, who portrays Mary. "Joseph's Lament" will be sung by guest soloist Brad Hopkins. Musical arrangement by Jean Luttrell, narration by Dr. Kathleen Shuttleworth. Brad Hopkins at the organ.

ALLEES TO BE HOSTS TO EASTERN RELATIVES

Relatives of the Edgar A. Allees, 7353 North Avenue, are with them for the holidays.

Mrs. Allee's sister and her husband, Mr. and Mrs. J. W. Winebrumer of Pekin, Illinois, are the guests. It is the first time in 16 years they have gotten together. A long series of parties is planned.

Don't Pay for Health Permit Until You're Asked

Dr. J. B. Askew, director of public health, today requested that persons wishing to renew their public health permits for 1956 withhold payment of the fee until they receive an application form from the department.

According to Dr. Askew, applications for renewal of public health permits will be mailed to all operators of businesses requiring permits before January

Ratner Recommends . . . following two single disks your collection: "Magic Finger by Eddie Fisher and "His Hers" by Gary Crosby.

Record Round-Up . . . Here this week's top five pop records as compiled by Ratner Electric Eighth and Broadway in San Diego.

"Autumn Leaves" by Roger Williams on the keyboard, "Green Tons" by Tennessee Ernie Ford, "Love is a Many Splendored Thing" by the Four Lads and "Memories Are Made of This" by Dean Martin.

Top classical record: "Madame Butterfly" by Maria Callas. "hop" record: "Solitaire" by Erroll Garner (piano) on the Mercury label.

Interview . . . Can you guess who this week's "Platter Parade" guest artist is? He was born in Los Angeles and is now 25. He started with other bands and broke out on his own when discovered by Jake Porter. Puchuko Hop (now a star). A great family man, with two boys and two girls, he recently had a housewarming for his home. Rehearsing right into night and day, with his band their southern tour and then but in Las Vegas. That'll be Julu because he has a new twist in entertainment, with many gimmicks such as performing in pajamas shorts. Current record: Wetback Hop (Dootone). Who is up? He is none other than Gene Higgins.

LEVIS AND LACES CHRISTMAS PARTY TO AID NEEDY

Wintertime was the setting for the regular Levis and Laces party held on Saturday night at the Woman's Clubhouse. Fifteen squares of dancers enjoyed a full evening of dancing to the calling of Clarence Montgomery, and a number of guest callers from the Heartland area.

The hall was attractively decorated with evergreen boughs, and snow scenes by Vance and Lorraine Jaquith and their committee, and at the close of the evening hot dogs and coffee were served to all present. Mr. and Mrs. Bill Keller of the Square Wheeler Club, who are the Heartland couple of the month, honored us with a visit, and Bill gave us one of his good "calls."

Recently a number of Levis and Laces members were guests of the Alpine Allamander Club at Alpine, and on Wednesday night, November 30, Levis and Laces played hosts to the Dip 'n Diver Square Dance Club of National City.

There will be a Christmas party and dance for members only on December 17 at the clubhouse, with a turkey dinner preceding the danced. Plans for the club's needy family basket are going ahead as scheduled, with canned goods being donated by the membership.

Game Breeders to Meet Saturday

The San Diego County Game Breeders Association will hold its regular meeting Saturday night at 7 o'clock in the Goodland Acres Park Clubhouse on Troy Street in Spring Valley.

An important business session, including the election of officers for 1956, will be followed by a holiday social hour. The meeting is open to all people who are interested in game breeding.

BAPTIST CHURCH TO PRESENT 'FIRST CHRISTMAS'

A pageant entitled "The First Christmas" will be presented at 7:45 Sunday evening, December 18 in the First Baptist Church auditorium. Over 30 people will participate in this beautiful portrayal of Christ's birth.

TRINITY CHURCH MEMBERS TO SING IN LA MESA

The Clipper Club of Trinity Presbyterian Church will meet at the church Saturday at 6:30 p.m., to go caroling. They will sing at the Christmas tree in La Mesa at 7:30 and then go to the home of Dr. and Mrs. Jones for refreshments.

The Women's Association will have their special Christmas luncheon Tuesday at 11:45. There will be special Christmas music after which Dr. Jones will install the officers for the new year.

Mrs. LesTina Adds Glee to Golden PTA Meet

The Golden Avenue PTA held its December meeting Thursday in the cafetorium. Mrs. Frank LesTina, the featured speaker, told of her bleak childhood in Europe, the abundance that greeted her when she emigrated to America and her gratitude for this welcome that prompted her to join the WAC during the last war. Her vivacity and humor sparkled all the way through the narrative and was genuinely enjoyed by the large audience.

The new mixed glee club, numbering about 50, under the direction of Miss Norma Brashear, third grade teacher, sang Christmas songs and were excellent, even though they had been practicing little more than a week. John Pienson, fourth grade teacher, was the piano accompanist.

There was a canned food collection taken at the meeting to augment the Christmas basket which the PTA will donate to a needy family.

Mr. Papin's sixth grade won the room count and the fourth grade mothers served coffee and cookies at the close of the meeting.

ART GROUP TO MEET WEDNESDAY

La Mesa Foothills Art Association meets at La Mesa Women's Club on Wednesday, December 21 at 7:30 p.m. The highlight of the evening will be readings by John Cornelius, principal of El Cajon Valley High School, followed by Christmas party.

CEREMONY SET FOR NEW BOBCATS

Mothers and fathers, sisters and brothers, grandmothers and grandfathers — even aunts and uncles—are invited to the United La Mesa Presbyterian Church Friday at 7:30 when Cub Scout Pack 315 holds its annual Christmas party.

The invocation will be given by Rev. Rex Lawhead. Colors will be presented by Den 10. Mrs. Robert Clodfelter is Den Mother.

A bobcat ceremony will be performed for the new bobcats, A. L. Keebler, cubmaster, announced. Bobcats are Bobby Hobson, Bill Swaner and Douglas Senstermacher, who will join Den 4, which is being reactivated at this meeting. Mrs. Hobson and Mrs. Cannon will act as den mothers. James Cannon, a transfer from the east, will also join Den 4. Jackie Berry will also take part in the Bobcat ceremony, joining Den 5.

Following the business meeting, Christmas carols will be sung by the group. Chaplain Bakker, USN, will conduct the community singing.

Santa will make his appearance, bringing a gift for each cub in the pack, and a candy treat for all children present.

Lemon Grove telephone users will be dialing their own east coast numbers beginning April 16th when automatic long-distance equipment goes into service.

Here, Chuck Muller, manager of the Lemon Grove Telephone Co. shows Tom Smith, president of the Lemon Grove Jaycees cover of the forthcoming telephone book on which is shown scope of the new do-it-yourself service

Record-breaking distribution of one of San Diego county's most frequently used books—the telephone directory—will start Monday, it was announced today.

More than 290,000 copies, largest number in history, will be delivered by special crews throughout the county by the end of the week.

Convair will receive 1,958 books, largest delivery in the area. Navy installations on North Island are next, with 650 copies, followed by government offices on Kearney Mesa and Camp Pendleton, with 500 and 450 respectively.

Included will be new numbers for Escondido, recently converted to dial service, plus Fallbrook, Pala, Poway and Campo, which have undergone number changes.

The south county section, which will be delivered locally, includes 950 pages, an increase of 42.

Total press run was 427,000. The job required 400 tons of newsprint and six tons of ink. The book will be in service for one year.

Telephone officials ask the current book be turned in to the deliveryman. Might be an idea to first shake out possible valuables.

Pamela Johnson, 5, Dies in Hospital

Pamela Anne Johnson, 5, daughter of Mr. and Mrs. Walter C. Johnson, 7854 Bryan Ct., died last week at Children's Hospital.

Recitation of the Rosary for her was at St. John of the Cross Church in Lemon Grove. Mass of Angels was said and entombment at Holy Cross Mausoleum followed. Survivors, in addition to her parents, are a brother, David, and a grandmother, Mrs. John Burgess.

When the life of little Pamela Anne Johnson was snuffed out recently, the feelings of all who knew her were expressed by a neighbor who wrote the following to her parents:

When our lives have briefly touched a lovely thing and when it is gone, God finds a way through us to bring precious memories to words. Though it seems strange to many, I've felt her presence near, for whenever I am quiet—she is here.

PAM

A child of God, here for a day, It seems, in God's eternity—
A blessed child, for in her way she brought love and gayety.

A precious child, a gift of joy to parents and to friends,
What more could you have asked —to keep her, when God but lends.

Be grateful that you had her, for God entrusted you
With a little bit of heaven in those shining eyes so true.

It's yours forever, the love that glowed, within that small heart
Open your mind, and you will find her, though you are apart.

CONVAIR HOEDOWNERS TO HEVE BENEFIT DANCE

The Hoedowners, a square dance group sponsored by the Convair Recreation Association, will hold an open benefit dance Saturday at 8 p.m. in the American Legion Hall, 4061 Fairmount Ave., San Diego.

Admission will be a new toy, gift wrapped, and marked boy or girl with approximate age. These toys will be given to the "Toy for Tots" barrel, and a group from the Marine Base will be at the dance to accept these gifts.

All Lemon Grove square dancers are cordially invited to attend.

PICTURE TALK

BY BOB VAUGHT

A friend of ours has a Christmas custom in his house that we think is pretty wonderful. Every year, in addition to the gifts for all the individual members of the family, one purchase is made as a gift "from the family to the family." It is something mutually agreed upon—something the whole family can enjoy together.

Over the years they've selected many different items—everything from a new recording player to redecorating the rumpus room. But one of the favorites has been the movie camera which was the "family gift" choice two years ago.

You may have the idea that a movie camera is an expensive piece of equipment. Actually you can get Kodak's Brownie Movie Camera for only $37.50, inc. Fed. Tax.

It's every inch a quality movie maker, and is as simple to use as a Brownie. Everyone in the family will enjoy this gift, and you may even want to open it before Christmas so as to capture all of your holiday season in color movies. Dollar for dollar this Brownie Movie Camera will probably bring more pleasure to the whole family than any other gift.

The Toys for Tots race formerly scheduled December 11 in Balboa Stadium has been postponed until December 18.

Some of the local jalopy drivers are Erwin Major, Chuck Duffy, Art Ena and Jim Perez.

Christmas Trees

IT'S TREE-TIME AT MAYFAIR!

You'll be happier with a Mayfair tree, because Mayfair trees are fresher and last longer. The beautiful and thrifty Douglas Firs are rushed to us by truck from the Pacific Northwest, and many of them have been cut less than 72 hours when they reach our stores. They are full-boughed and bushy as a result of a topping process which prevents their growing too fast, and they have all been specially selected by Mayfair's own buyers, right on the timber tracts where they grew. They're reasonably priced, too. Be happy this Christmas . . . buy a Mayfair tree! But buy early. The supply's limited—you'll get a better tree if you buy now!

WHITE FIR, SILVER TIPS

These beautiful, luxurious trees, grown above the 8,000-foot level in the High Sierras and individually selected by Mayfair buyers, are the very best available . . . and Mayfair's price is amazingly low . . . be sure to see them now!
